Permission for taking a final examination at any time other than the scheduled time must be arranged with the instructor of the class involved.

The final examination time is determined by the first hour of the first day of the week that the course is scheduled. For example, a course meeting MTWF 0900-0950, will use Monday 0900 exam time.

Day: Courses that meet one day a week (but not evening) and one-hour courses and seminars that require a final exam will use Friday/1515-1715.

Evening: Classes beginning at non-standard time (i.e., other than the above) will use the above table for the first time shown FOLLOWING their starting time (i.e., 16:00 class time will use 17:10 exam time).

Classes scheduled only one evening a week will meet on the day the class is scheduled.
